Reiki is a technique for stress reduction which is also claimed to promote healing. It is said to create many beneficial effects including relaxation and feelings of peace, security and well-being. This revised edition includes the history of Reiki, and describes several successful approaches to integrate Reiki into patient care. Also included are pictures of the Usui memorial in Tokyo and of Mount Kurama where Reiki was discovered.

Rainbow Reiki is a proven system of complex energy work. The basis of Rainbow Reiki, a successful combination of old and new methods, is the Usui System of Reiki. It gives us a wealth of possibilities to achieve completely new and different things with Reiki than taught in the traditional system. Walter Lubeck has tested these new methods in practical application for years and teaches them in his courses. Reiki Essences are crystal healing patterns or the forces of plants transmitted into lasting carrier substances through Rainbow Reiki. The different types of remedies created in this way can be used for holistic healing and personality development in a great variety of ways. This work is accompanied by plants, devas, crystal teachers, angels of healing stones, and other beings of the spiritual world.

Reiki, pronounced "ray-key," means Universal Life Force. This energy is all around us and we can channel it. The Reiki method of hands-on healing is an ancient one, rediscovered by Mikao Usui in early 20th Century Japan. John Harvey Gray was the third of the original twenty-two Reiki Master Instructors created to carry on the Reiki Tradition by Hawayo Takata, a Japanese-American woman who first brought Reiki to the West. Mrs. Takata was trained in Japan by Chujiro Hayashi, a direct disciple of Usui. John Harvey Gray received his entire training from Mrs. Takata. He is considered to be the longest-practicing Reiki Master Instructor in the West. John and his wife Lourdes offer the authentic Reiki method as Takata taught it, along with a wealth of information distilled from their combined experience teaching over 750 workshops and treating thousands of clients. Discover the history of Reiki, how it works and how attitudes that create dis-ease in the mind and emotions affect the physical body. Learn specific techniques including body-scanning procedures to discover areas of reduced vitality flow, hand positioning to maximize the effects of a Reiki treatment, self-treatment and emergency procedures. John and Lourdes tell their personal stories and discuss the meaning of Reiki mastership. Hand to Hand offers both beginner and experienced master a rich and solid foundation for the practice of this popular method of energy healing.

This is something different. Rather than being a book about Reiki for the general public to read, this is a copy of the actual training manual given to First Degree students of Reiki Evolution, the well-known UK Reiki training organisation. The manual is different for several reasons. Firstly, it is easy-to-read, down-to-earth and really comprehensive, a complete and clear guide to the practice of Reiki at First Degree, ideal for people finding out about Reiki for the first time, and ideal for practitioners and Master alike. The manual is all about Reiki, and Reiki alone, rather than about various New Age practices that have crept into Reiki over the years, like crystals and Angels and spirit guides. And rather than presenting the Western style of Reiki that is covered in most Reiki books on the market (usually described as traditional Usui Reiki), this manual focuses on the form of Reiki that was taught by Reiki's founder, Mikao Usui, in the 1920s in Japan, and is based on information coming from a group of elderly students of Reiki's founder. In its original form Reiki was not so much a treatment method as a simple self-healing and self/spiritual-development method which could potentially be used on other people. So in this manual you will learn authentic energy practices that you can use on yourself each day to further your self-healing and your spiritual development, you will focus on the Reiki precepts (in their original form, not the altered Western version), and you will learn about the role of mindfulness in the original system. The manual presents a wealth of background information about Reiki, including an up to date history of Reiki, and you will also learn a simple and non-dogmatic approach to working on yourself and treating others. Many people attending Reiki courses do not receive any sort of a course manual, or perhaps just a few sheets of paper, and the Reiki Evolution Shoden manual will be of great help to those who have already learned Reiki, but who want to have more of a solid introduction to the subject, or who want to learn more about the system that Reiki's founder was teaching, rather than the Western version taught on most Reiki courses. It also provides a comprehensive introduction to Reiki for those who are interested in finding out about Reiki for the first time.

Reiki master Diane Stein (author of Essential Reiki, 300,000 copies sold) distills more than 25 years of experience as a hands-on healer, guiding readers seeking a deeper level of knowledge through the three degrees of healing. Includes practical information for aspiring professionals on how to set up a reiki practice. Illustrated with black-and-white drawings.

Reiki is an ancient and profoundly simple system of "laying on of hands" healing derived from Tibetan Buddhism. In the West, Reiki has been kept highly secret for many years. ESSENTIAL REIKI presents full information on all three degrees of this healing system, most of it in print for the first time. Teaching from the perspective that Reiki healing belongs to all people, Diane Stein breaks new ground in her classic guide to this ancient practice. While no book can replace the directly received Reiki "attunements," ESSENTIAL REIKI provides everything else that the healer, practitioner, and teacher of this system needs.

After eighteen years as a practitioner and teacher of Reiki, Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door. People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her. Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it. In her manual, Eileen brings with her a core community of Reiki practitioners and teachers from different traditions and backgrounds that journey alongside her and recognize, as she

does, the simplicity, wonder and beauty of God's universal gift for our time. The healing stories are too numerous to count but she does include specific testimonials within her manual that speak for the thousands of others who have been healed through the doorway of Reiki. In this way, Eileen's Advanced and Master Level Training Manual, becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner and teacher. Written with inspiration and clarity, Eileen takes the reader on an amazing journey into the dynamic world of the inner self. Like a fresh current of air, she presents her material in an appealing and easily digestible manner. The uniqueness of Eileen's Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold. In this way, Eileen shows how the revered eastern practice of Reiki discovered by Dr. Mikao Usui, a Japanese Buddhist, in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other. At the same time, she shows how this simple, profound method of hands-on healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone. Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully. Others go away from the treatment or training feeling restored, refreshed and renewed. Reiki, the universal Life Force Energy of God, is not a new invention or modern day fad. Its roots are planted deep in ancient history. In the Old Testament, Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time. Even science and the world of medicine are looking at this complementary form of healing called "Reiki" with fresh new eyes. Its worldwide impact can no longer go unnoticed. About the Author Eileen Curteis, a Sister of Saint Ann, is a Reiki Master teacher and practitioner, who has taught and treated thousands of people over the last eighteen years at Queenswood, a former retreat and spirituality centre in Victoria, BC. Preceding this, Eileen was a teacher, principal and educator for twenty-seven years. Her greatest passion lies in her healing ministry and in the literary arts. She has authored eleven books to date and through the years has become an accomplished poet, artist, writer, as well as being a producer of six CDs and three films.
