At just twenty-two years of age, Briana Mills finds herself at a desperate crossroads. Once a promising student at the University of Oregon, she now finds herself alone on the streets of Portland with only the clothes on her back, memories of a happier time, and the stray dog that's adopted her. And she's got the drug that helps her forget. Briana's mistakes haunt her, lashing her with severe consequence, forcing her to make a decision few would ever make. Still, in a final attempt to make her young life count for something, Briana begins writing it all down—everything—so that others walking the crumbling precipice of rebellion might leap to safety before it's too late. She writes about her present struggles and the past. She writes about Michael, the boy she loved and left behind when she went off to college. She writes about the violent activism and drug that derailed her life. She writes about the demands placed on her by a socially conscious mother, and the adoration shown by a proud father. And Briana talks about Brody—the young activist leader who captured her heart, took it to the altar, and then crushed it. What develops is an engrossing record of a young and troubled life, one both beautiful and ugly, innocent and corrupt, lost and then found. And wrapped in its literary sinew is a cast of characters as diverse and engaging as the stars, and an impassioned love story sure to transcend time. What readers are saying: “Timeless...provocative.” “Characters so real you'd swear this was a true account.” “A brilliant read!”

2012"Alone Among People is at once an engaging, moving story and a provocative statement about the thin line between thriving and sinking into an abyss as inescapable as quicksand. Its timeless and uplifting messages of hope conquering despair, healing borne of love and care, and peace at discovering one's identity are an inspiration. The author's empathy for the characters and their plight betrays knowledge of what he writes, and offers the reader a unique glimpse into a vulnerable and intimate place... his heart. I recommend this book to anyone who has traveled through the anguish of darkness and longed for the light; it may just guide your way."

It's the winter of 1946. A truck leaves the village of Campbellpur after news of the impending Partition pours in. It is carrying people who don't know where they will go. They have just heard words like 'border' and 'refugee', and are struggling to understand how drawing a line might carve out Pakistan from Hindustan. As they reach the border, the caravan disperses and people go their own ways. Gulzar's first novel tracks the lives of the people in that truck right from 1946 up to the Kargil war. A novel on what the Partition entailed for ordinary people, *Do Log* is also a meditation on the fact that the division of India and the carnage that followed, once set into motion, kept happening inexorably and ceaselessly, and people like those who left their homes on that truck never found another home; they kept looking for a place called home, a place to belong to.

can go the distance in the fun and flirty multicultural romance debut by the "New York Times"-bestselling author of "The Proposal," a Reese Witherspoon Book Club selection.

A deeply stirring memoir of fathers, sons, and the oldest bar in New York City Since it opened in 1854, McSorley's Old Ale House has been a New York institution. This is the landmark watering hole where Abraham Lincoln campaigned and Boss Tweed kicked back with the Tammany Hall machine. Where a pair of Houdini's handcuffs found their final resting place. And where soldiers left behind wishbones before departing for the First World War, never to return and collect them. Many of the bar's traditions remain intact, from the newspaper-covered walls to the plates of cheese and raw onions, the sawdust-strewn floors to the tall-tales told by its bartenders. But in addition to the bar's rich history, McSorley's is home to a deeply personal story about two men: Rafe Bartholomew, the writer who grew up in the landmark pub, and his father, Geoffrey "Bart" Bartholomew, a career bartender who has been working the taps for forty-five years. On weekends, Rafe Bartholomew would tag along for the early hours of his dad's shift, polishing brass doorknobs, watching over the bar cats, and handling other odd jobs until he grew old enough to join Bart behind the bar. McSorley's was a place of bizarre rituals, bawdy humor, and tasks as unique as the bar itself: protecting the decades-old dust that had gathered on treasured artifacts; shot-putting thirty-pound grease traps into high-walled Dumpsters; and trying to keep McSorley's open through the worst of

Hurricane Sandy. But for Rafe, the bar means home. It's the place where he and his father have worked side by side, serving light and dark ale, always in pairs, the way it's always been done. Where they've celebrated victories, like the publication of his father's first book of poetry, and coped with misfortune, like the death of Rafe's mother. Where Rafe learned to be part of something bigger than himself and also how to be his own man. By turns touching, crude, and wildly funny, Rafe's story reveals universal truths about family, loss, and the bursting history of one of New York's most beloved institutions.
